There are two main ways to administer the BIMAS Standard in a Universal Assessment:

1. Online
2. Paper-and-pencil

Online

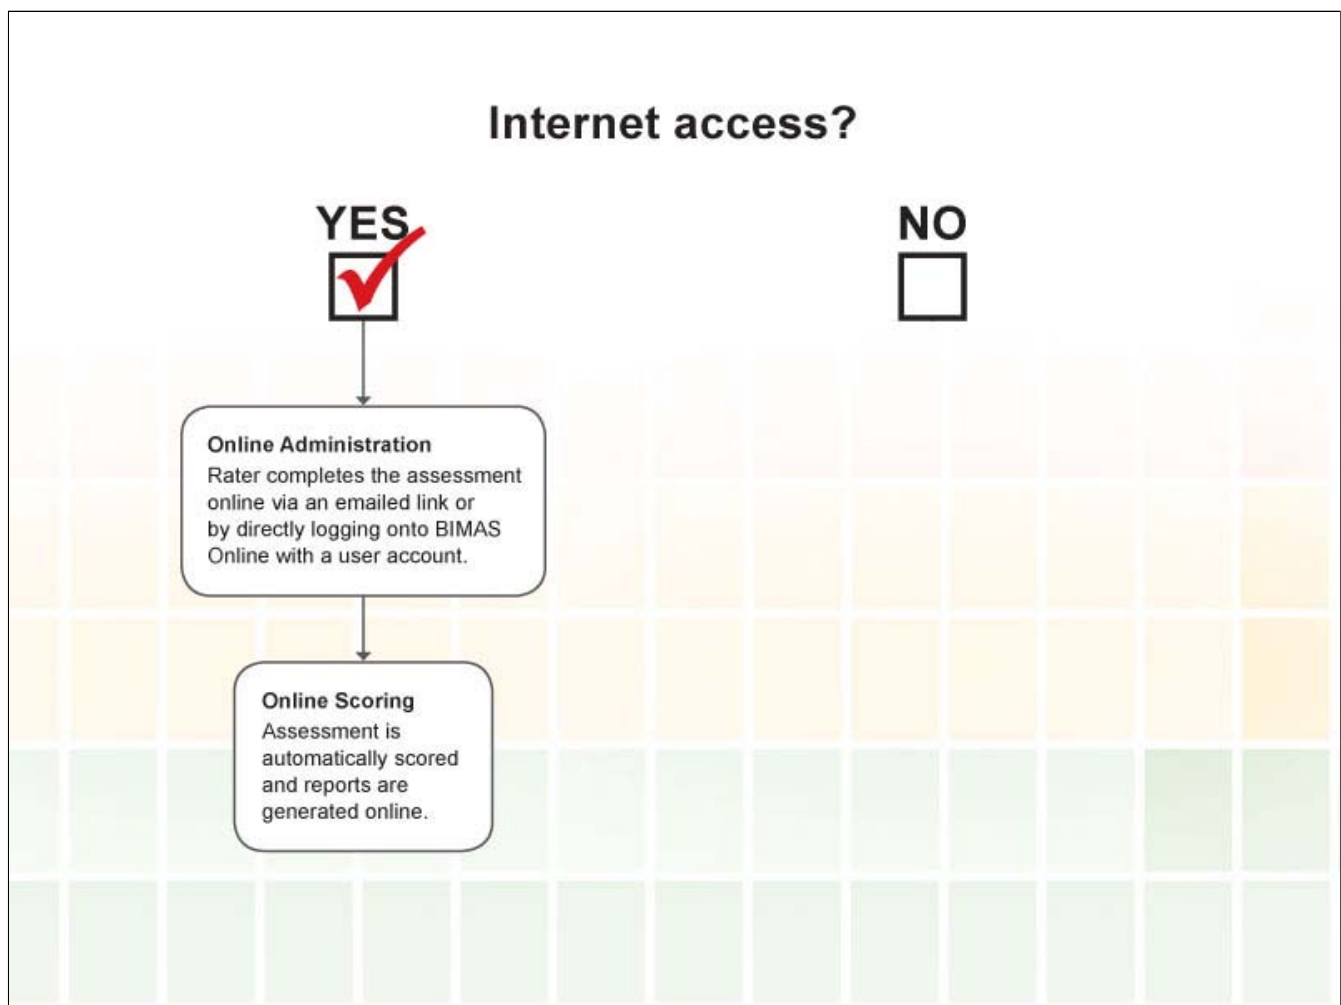

Paper-  
and-pencil

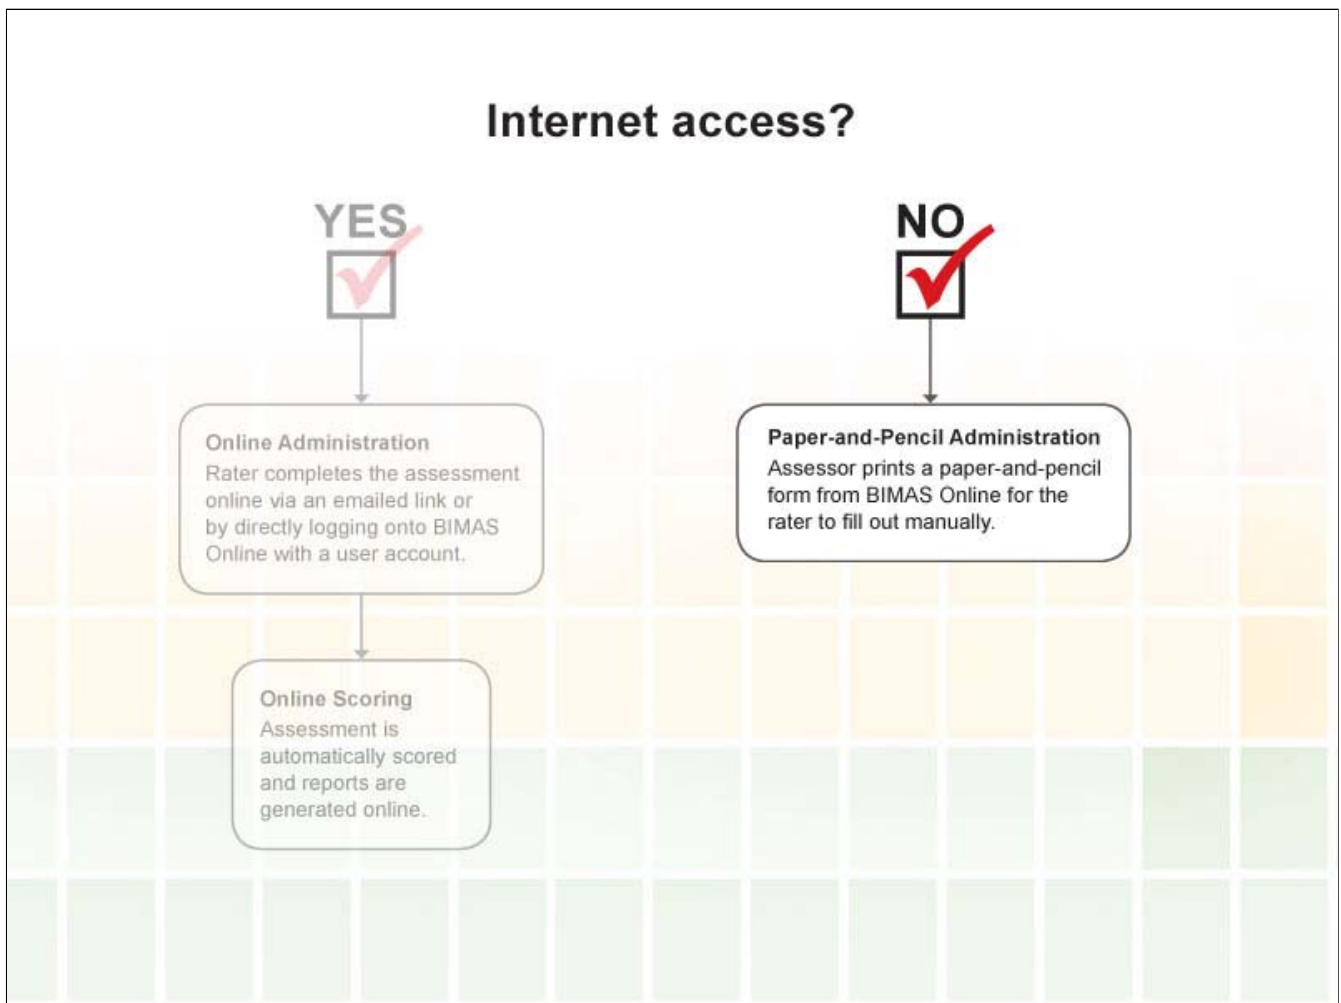

If the answer is YES:

1. The Rater completes the assessment online via an email link or by directly logging onto BIMAS Online with a User Account.
2. When the Online Administration is completed, the assessment is automatically scored and reports are generated online.

If the answer is NO:

1. The Assessor prints a paper form from BIMAS Online for the Rater to fill out manually.

There are two Scoring Options:

- **Online Scoring.** The assessor enters responses from the paper form into BIMAS Online for automatic scoring and report generation.
- **Scanned Scoring.** The assessor scans the paper forms using any regular scanner and imports the image files into BIMAS Online.
