Reports at the **Class/Group** level consist of assessment information for students set up within a class or group.

Before generating a Class/Group report, students must first be set up within a class/group at a school, and administered the BIMAS Standard in a Universal Assessment (for a Class) or a Group Assessment (for a Group).

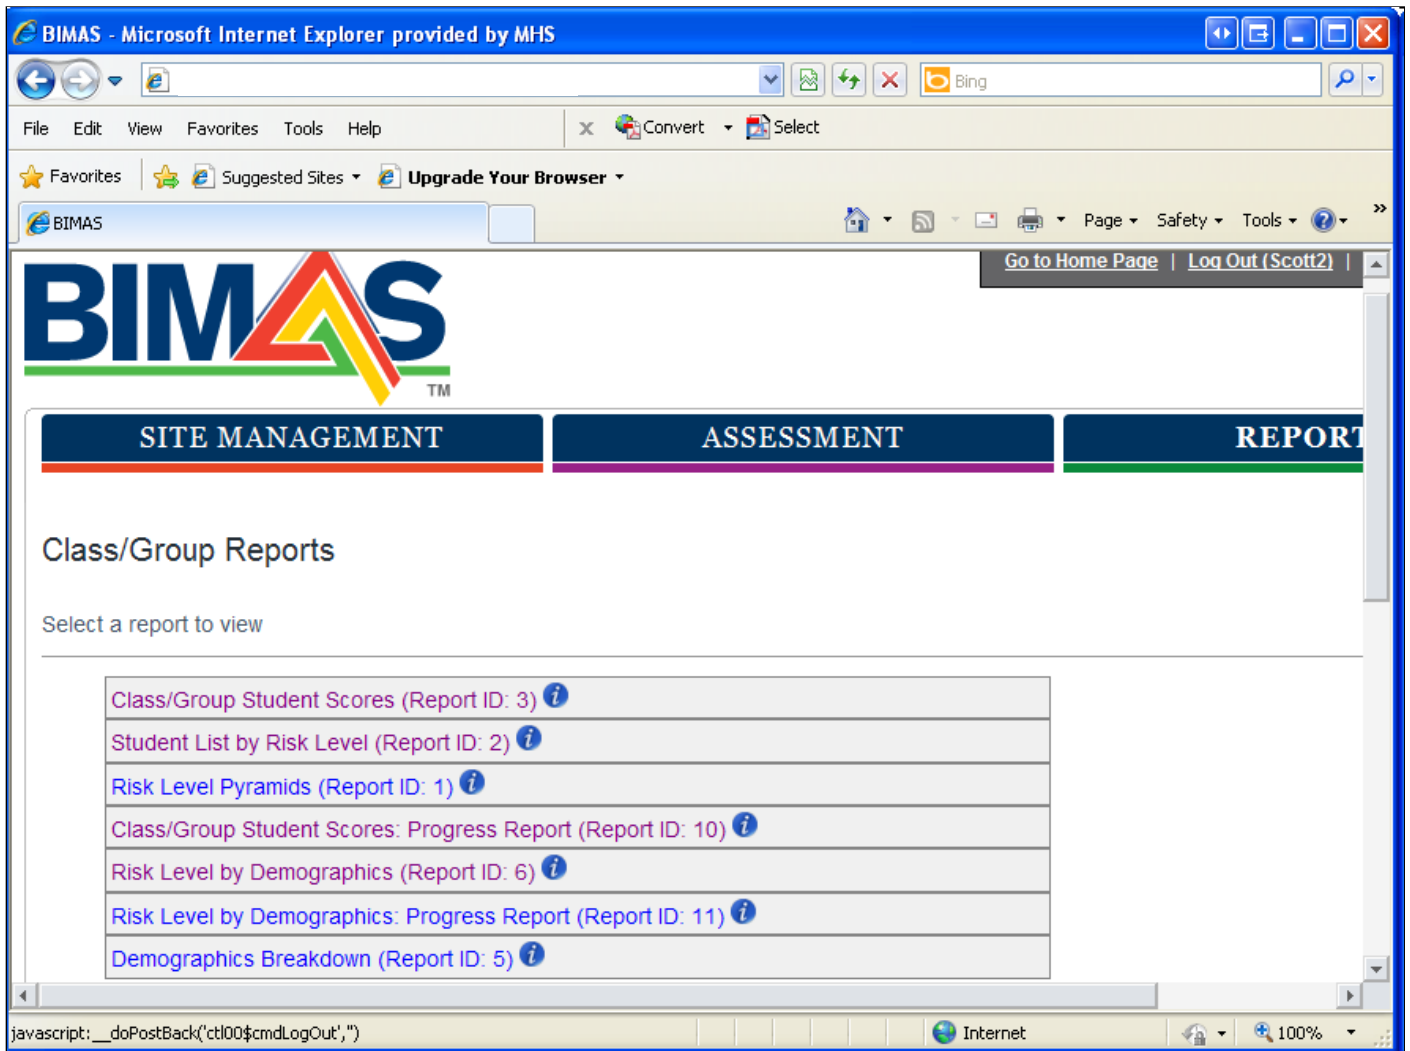

To generate a Class/Group report:

1. Click **Reports**.
2. Select **Class/Group Reports**.

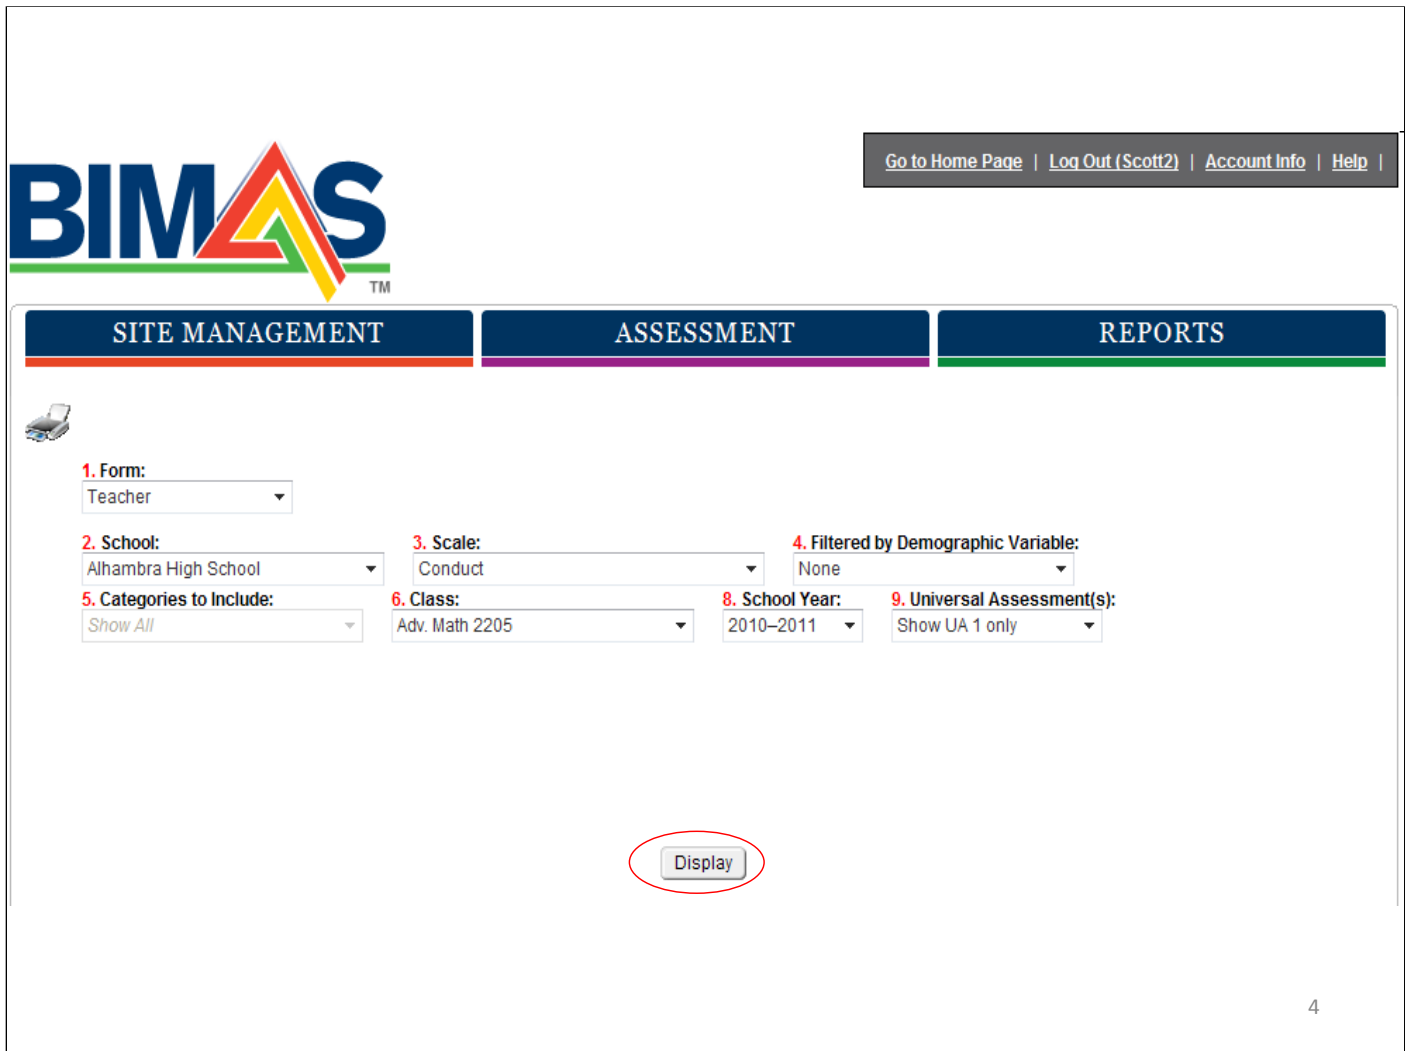

Click on the report you would like to generate:

- **Class/Group Student Scores**—Lists the names of all students within a class/group, and their assessment results
- **Student List by Risk Level**—Lists the names of all students scoring at each risk level
- **Risk Level Pyramids**—Shows risk level percentage in a pyramid graph for one Universal Assessment
- **Class/Group Student Scores: Progress Report**—Lists student names and their assessment results over several Universal/Group Assessments
- **Risk Level by Demographics**—Displays the percentage of students within each risk level by demographic variable
- **Risk Level by Demographics: Progress Report**—Compares the percentage of students within each risk level by demographic categories across several Universal/Group Assessments
- **Demographics Breakdown**—Displays the percentage/number of students according to demographic variable

To generate any Class/Group report, fill in the fields using the drop-down boxes.

Click **Display**. The report will appear under the Display button.

The screenshot shows the BIMAS interface for generating reports. At the top left is the BIMAS logo. To the right is a navigation bar with links: [Go to Home Page](#), [Log Out \(Scott2\)](#), [Account Info](#), and [Help](#). Below this is a main navigation bar with three tabs: **SITE MANAGEMENT**, **ASSESSMENT**, and **REPORTS**. The **REPORTS** tab is active. Below the navigation bar is a printer icon and a form with the following fields:

- 1. Form:** Teacher
- 2. School:** Alhambra High School
- 3. Scale:** Conduct
- 4. Filtered by Demographic Variable:** None
- 5. Categories to Include:** Show All
- 6. Class:** Adv. Math 2205
- 8. School Year:** 2010-2011
- 9. Universal Assessment(s):** Show UA 1 only

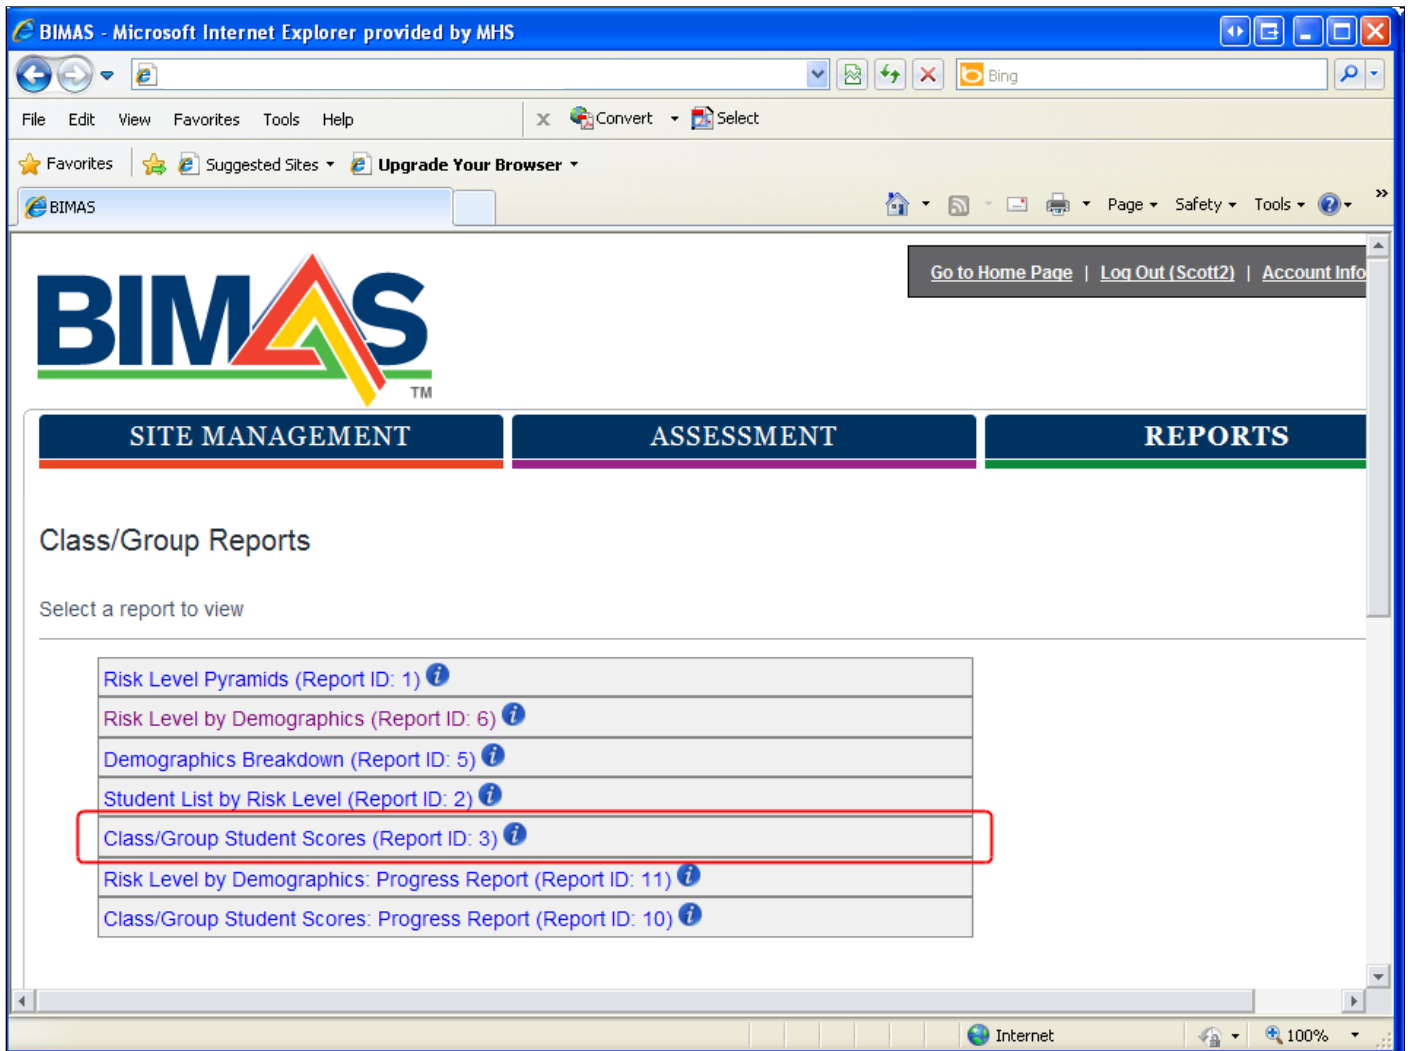

A **Display** button is located at the bottom center of the form, circled in red. The number 4 is visible in the bottom right corner of the page.

The following is an example of how to generate a **Class/Group Student Scores** report.

Under **Class/Group Reports**, select **Class/Group Student Scores**.

You will then have 2 report options:

1. Universal Assessment results for a Class
2. Group Assessment results for a Group

To report results for a Class in a Universal Assessment, select **Choose by Class Name and Universal Assessment No.** and fill out the fields directly underneath:

1. Select a **School** (District-level users only)
2. Select a **Class**.
3. Select a **School Year**.
4. Select a **Universal Assessment**.
5. Click **Display**.

Before you print any report, ensure that you have your printer properly configured through your internet browser.

To set up your printer:

1. Open up your internet browser.
2. In your printer setup options, select **Print Background Colors and Images**.
3. Click **OK**.

You only need to set up your printer once. This setting will now apply to all reports you print.
